RE: TROOP LEADERSHIP TRAINING

Audience: All Troop Committee Chairs, Scoutmasters, Assistant Scoutmasters, and Training Leaders

Attention!!

The Milton District and the Milton OA have joined together to offer a training course for your troop leadership called Milton/OA Leadership Seminar (MOALS). This training course is for all of your troop leadership including patrol leaders. This event will be held a short 6 weeks away and we will only serve a limited number. Please use the attached information form and make **TROOP RESERVATIONS**. We need your counts now so we can “Be Prepared.” You can fill in the names of your attendees after your elections.

We will offer a top notch weekend leadership training program which will allow your scouts to immediately apply their experiences in their troops. We look forward to all Milton Troops being represented at this AWESOME weekend event.

YISS,
Jerry Neidert
